**Are you against Government cuts?**

**Do you live in South London?**

**Then join the South London People's Assembly!**

### What is the South London People's Assembly?

In June there was a People's Assembly event in London.

Lots of different campaigns, groups and trade unions met to plan ways to fight government cuts.

Since then lots of different areas have had their own People's Assembly events. In December there will be a People's Assembly for people in South London.

Everyone is welcome - we want as many people as possible to come along.

There will be speakers like Owen Jones, Dr Louise Irvine from the Save Lewisham Hospital campaign and Ciara Doyle from Disabled People Against Cuts.

There will be workshops about things like disability, housing, racism and the NHS.

There will also be films, banner making and performances.
